The Mid-Autumn Festival

The Mid-Autumn Festival falls on the 15th of the eighth month of Our Chinese lunar calendar. As one of the traditional Chinese festivals, it has been enjoying great popularity in our country. Usually, no matter how far away or how busy we are, we will try to come home for the celebration. The moon that night looks the brightest in the whole lunar month. What we love most is the time we enjoy the full moon together. With the beautiful moon up in the sky, we sit together and eat moon cakes and fruit, sharing our stories. In addition to these traditional activities, we have a wider range of choices such as travelling and visiting our relatives or friends.
